

# How to Zoom Conference

## Participants

If you have never used Zoom before, the program is free to download for computers and phones.

When you receive a meeting invitation, it will look like this:

Here's a link for tomorrow's scheduled Board Meeting.

Clicking on the meeting link will automatically prompt the Zoom application to download if it is not present on your device. If you wish to take advantage of a dual monitor setup, you need to indicate that here in your setting when you load the app, or it will not be available when you enter a meeting.

Once you are in the meeting, please double check that unless notified otherwise, that in the lower left corner, your audio is on mute. [The Host of the meeting will be muting all participants, but please double check!]

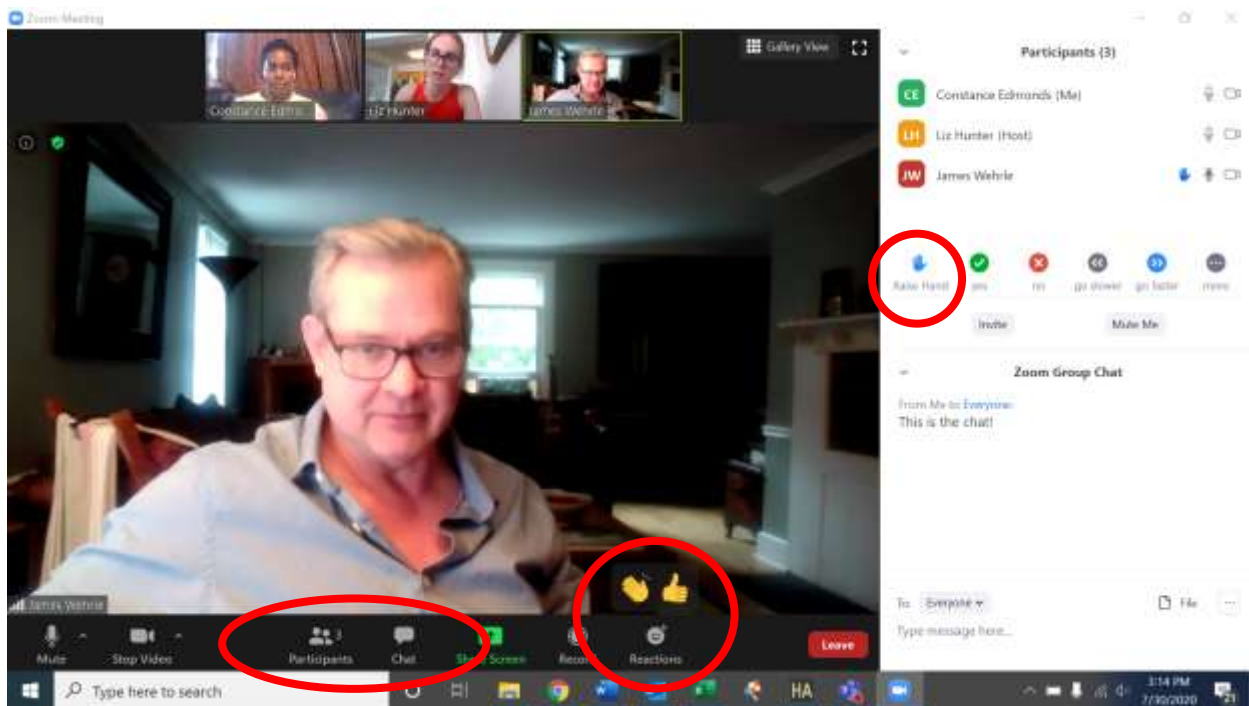

When the meeting begins, please set your view to Speaker View:

In this mode you are also able to open the chat and participants window, located in the bottom tool bar.

- Most comments can be limited to the chat, which Carleen will monitor and speak to, but if you have a comment or suggestion you would normally interject with, please use the “raise your hand” function.

If you would like to see more participants in addition to the speaker, you can select “Gallery View”:
