The Jane Neale Fund

Hiking the trails of the Adirondack Mountains was one of Jane Neale's fondest pastimes. Jane was very active with the Adirondack Mountain Club (ADK) and was Director of the Trails Committee and member of the Albany chapter. Prior to her very untimely death in 2007 at the age of 46, Jane made a vital contribution to land stewardship and conservation through her volunteer work to maintain a high quality trail system throughout the Adirondack Park, allowing thousands of visitors annually to enjoy the Adirondack wilderness.

The ADK is currently raising money for the Jane Neale Scholarship Fund. This special endowment fund will provide scholarships for high school students to participate in ADK's Trails Program every year for generations to come. As a passionate supporter of maintaining the trails for everybody's pleasure and enjoyment of the wilderness, Jane's memory will live on in most befitting for all who knew and loved her.
